ADVICE TEMPERATURE
Min. 24°C / max. 29°C.

HUMIDITY
Start with 80%.
reduce till 40%.

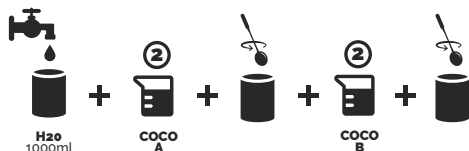

CHECK PLANTS
Always check the plants.
They tell you what they need.

TEMPERATURA RECOMENDADA
Min. 24°C / máx. 29°C.

HUMEDAD
Comenzar con una humedad del 80%.
En crecimiento, y reducir hasta el 40%.

VIGILA TUS PLANTAS
Ellas te dirán lo que necesitan.
